

Joining a SENECA Online Tournament on chess.com

1. Log onto chess.com.
2. Select **Play → Live Chess**.

3. On the right side of the screen, select "**Tournaments**," ensure "**Upcoming**" is selected, and select the SENECA tournament from the list.

4. After selecting the tournament, click "**Join**."
5. The tournament will start at the scheduled time. Pairings for each round will occur immediately after the previous round ends. When the tournament is over, SENECA will submit the results to the USCF for online rating.
